## General Requirements

- ✓ Owners must turn in their old permits when vehicles are replaced or sold. No out of date permits should exist.
- ✓ Sec. 100-51-7-e to q lists the equipment required for each taxicab to operate on the road. Sec. 100-51-9 lists the hazardous equipment defects checked at the time of annual inspection.
- ✓ Drivers may not work more than 12 hours out of any 24-hour period per s. 100-59-4.
- ✓ Drivers may not decline service to passengers who are disabled or those with wheelchairs or service animals per s. 100-59-15.
- ✓ While serving a paying customer, drivers may not allow non-paying passengers or the driver's pets in the vehicle per s. 100-59-9-a.
